

OUTSTANDING INDIVIDUAL ON THE LOCAL LEVEL AWARD
(please type)

The Nebraska Association of Fair Managers are proud to recognize a “key Individual” from each fair for their involvement during the last fair year.

The award is based on involvement by the individual, his/her leadership role, and his/her commitment. Each county board will select one award. The winner’s name, a list of activities, years of service , and a short statement or additional information should be sent to the NAFM on the accompanying form.

The NAFM will recognize the person by posting their name on the “Honor Roll” at the NAFM convention and their name will be listed in the NAFM Convention book.

In no way will this award replace or take away from the “Fair Person of the Year” award. This award should be perceived as a most valuable player for the one year. The “Fair Person of the Year” award is a Hall of Fame Award. It could be the same person!
